

## CHECKLIST OF VASCULAR PLANTS

NED GLENN NATURE PRESERVE

Southwest 87 Avenue & SW 190 Street  
Miami, Dade County, Florida

The following is a comprehensive listing of vascular plants which occur at the Ned Glenn Nature Preserve. Botanical nomenclature generally follows Kartesz (1994), and synonyms have been added where necessary to avoid taxonomic confusion. The listing is arranged alphabetically by plant family. Ferns & fern allies are all listed under *Pteridophyta*.
